Dear Bob,

Thank you for your kind note last May
thanking me for the book THE WAR I presented
to you at Richard and Jane Wievels' house.
Notice I had your book signed by 5 or 6 of the
honored Alabamians, including my father, in the PBS special

Your comments about Campaign 2010 were
very inspiring. I sent Sidney Rue my donation
for this cause and was so moved I even considered
running for office myself!

Enclosed are a few signed articles about my
father and his service for our country and
our state. Unfortunately, he is the only retired
Circuit Judge, we know of, who received no
retirement after 10+ years on the bench (due to
the Superannuation law change). He would be
honored to receive 75% of the \$15,500 per
year salary (received when he retired in the late 1960's),
nonretroactive and no spousal benefit.

Thank you for your help and service
Jamie Lee will keep you posted — *George*
