Dear George:

Thank you for the book *The War* you presented to me during my visit to Mobile last week. I enjoyed hearing about your father's involvement with the PBS documentary, as well as the other Alabamians who were involved with the project. These members of "the greatest generation" make all Alabamians very proud.

I am sure you took some time this past Memorial Day weekend, as I did, to reflect on why we live in the greatest country in the world. This would not be possible had it not been for the sacrifice of your father and all of our nation's veterans. I am grateful for their service.

Sincerely,
